HONGKONE, JANUARY 19, 1867.

THE explosion of Thursday is one of thes events about which all that can ever be learn. ed is known at once. Two shins are one mo-IME above DOCK has been in full working ment lying side by side, tranquilly engaged in order for the last eighteen months, length moving small harmless looking kegs not unlike 300 feet, width at bottom 40 feet, depth of water loyster barrels, no more observed than any on the sill springs average 17 feet, Neap 14 leat, other two ships in the harvor, and next mo-Blocks, and is pumped out by steam. The charges | ment one colossal volume of smoke bursts unas follows: The day of entrance, and two ward, the earth vibrates, houses trouble from ollowing days. One Mexican Dollar par ton regige roof to foundations, the air is filled for a faw ter will be charged, beyond that period each day seconds with a reverberation like thunder, and the two sbins with all they contained have ceased to exist, except in the shape of black dust upon the water, charged and distorted masses of timber, unseen wreck below the sea. For further particulars as to the price of Cop. For the men, women, or children, who may have been on board, the material destruction T. D. T. TILLINGNAST, Esq., Messrs, De Sic. must be in such cases even more complete than that of the wood and iron of which ships are composed. In the case of this explosion which has just happened it is probable that

charge of 10 per cent, will be made on all materials them were twisted into knots and an explosion which could do this would simply annihilate Hesh and blood, so for as matter can be annilulated. How the terrible accident occurred can never be known, whether some unfortunate coolie, promptly published for his disastrous carclessness, caused the accident, or whether any of the Europeans forgot the responsibility resting on them while they were handling this payment I which will be granted by the Mana- dreadful, cargo can only a matter of conjecture now and henceforth. The accident has hap-

> What remains to be considered is how far any persons are to blame for what has occurred and how far similar accidents may be guarded against in future, or at any rate how far arrangements may be made for minimising their disastrous effects as far as possible. For were in error in stating that the Zephyr was the row was was about and as a consequence Bain alongside the powder bulk Zephyr, the years! probably been doubled, and the value of money it must be remembered that wherever powder many people who in conversing about the ac-

cident on the day of its occurrence, and conrespecting the storage of gunpowder, seemed to blame it for the explosion. Under the most judicious system of regulations the explosion might still have taken place, and the oss of life occasioned by the late accident ernment. It is morally responsible perhaps pect to see a notice in the Government Gazette por, but by suppressing all but the initial letto the effect that all glaziers bills for this month will be paid by His Excellency the Governon, the equity of such an arrangement of an explosion, even after proper regulations The charge for wharfage is 25 cents per ton, had made it impossible that such an accident can take place with dangerous proximity to the town, may no doubt be reduced by adecustody stores of powder are placed. It might be a good plan to say that no man should be allowed to take charge of a powder hulk until he had been approved of by the Harbor-Master as a sober, stendy and competent man, but

at any rate the first thing to say is that no nowder hulk shall be within the limits of the harbor, that it shall occupy some mirticular place chosen with an eye to the possibility of an explosion, so that the force might be confined PANY'S ESTABLISHMENTS, at the above Port, afford on the sill, is in course of construction, and will shall be stored on shore is the first thing to that the qualifications you montion should be said that he did not say that after being looked every mounty for nepatring and Sparring Vessels | be open in about eight or of no months. A nonand for Cleaning and Painting Iron and Steam | plete range of Workshops, fitted with steam insShips.

Their large Granter, Door, 286 feet lane on regulation as would not esserily cause us to take water was sold in a lamp lot for \$680.

Their large Granter, Door, 286 feet lane on the state of the companion of the state of Ships.

Their large Granius Dock, 286 feet long on required for the construction and repair of ships forbid this. At any rate we have been inthe Blocks, is in complete Working order, and at and machinery, are also being orceted, as well as formed by a firm which frequently holds large ing people's houses about their cars. Moreover that he could bring forward six witnesses to prove nation are already current in political circles, quantities of powder that they do not know of though the gentle van you point out has been but that Bain had the money any regulation which would prevent them it a short time in the colony he has already shown The case was remanded to te-morrow at 1) they chose from putting it all in their own the shortest notice and when your very proper re- wished to only and he was admitted to bail on two godowns. They do not do this, simply be- commendation is adopted no fire will be burning spritice of \$100 cach or one of \$200. cause it would invalidate the insurance on long without being asnotioned by the presence of their property and also we have no doubt on the learned Superintendent Mr. F .- B--d moderate rates, all peacessaries for shipwork, such | public grounds, but a matter of this importance ought not, most certainly, to be left to the discretion of private individuals. As for nowder stored on board a hulk in the harbor, all that is necessary is, we believe. that the Harbor Master shall give permission the proposed Volunteer Fire Brigade, of the only

evidently been to give this permission without | universal popularity, and imposing presence, will proper stipulations as to the place where the us you say, ensure the prompt obedience of his hold is to be maded. This has no doubt followers, our old friend, Mr. M.——n. F——r. hulk is to be moored. This has no doubt l SITUATION by a Compranges who can been left also to the Harbor Master's discrewithout the justification of any special orders from the Government to introduce a new avatem of severity. There is now, however, no time to lose. It happens curiously enough board the Zephur, that a new supply has since Possession required on or about 15th proxime, then arrived on board the Lucerne from London. She we believe carries 21,000 lbs., a quantity quite sufficient under favorable circumstance to do an immense deal of mischief. There is the beginning of a new accumulation and what is to be done with it. The Government decline to take any more pri ate powder on storage at Kellet's Island, and that place new obtain Scrip Certificates for Shares in the employment of some old vessel as a powder employed on that service. It was said at the time of explosion that the Helbetia a neigh-

the above Company in Exchange for Bankers hulk. There is no vessed in the barbor now Tuesday must the 22nd inst. bouring hulk also had powder, but this apnears to be a mistake. A successor to the Zenhur must therefore he appointed, and the DERSONS requiring SITTINGS for the half public will be glad to hear what arrangements year commencing on the 1st October, are | are to be made respecting her anchorage.

WE have heard that a good many persons have already subscribed for sauts and boxes. for the promised season of the Italian Opera THE MANAGER of the Daily Press having Company, whose director Signor Pomper is the station, he thought be had been arrested in PURCH SED all the MACHINERY and now in Hongkong. It is to be hoped thereprovided with a musical feast really worthy of its inhabitants. Compared with Operatic performances of an ordinarily good class, all GINDRAL) has been engaged, and the necessary other amusements are wearisome and insinid. arrangements having been muce; work can now Music, is something more than a passing us a sort of pussion, the craving for which is never entiated. Probably the Opera is the only amusement of a thoroughly artificial kind .-and we mean by that, one which does not in- at about eight o'clock, he entered the prisoners | Mr. Butcher, stated that the night before last | Woolwich arsenal would be gone from our 4 per cent discount old, 3 per cent discount old, 3 per cent discount new, volve bodily excitement like outdoor sports, bouse which was still in custody of the police, bis etables were entered and the clothes cut off power, and the failure of military supplies and quoted. become. DE SILVER & Co.

TOUGHING AT YOKOHAMA. the 13th day of FEBRUARY, 1867,

Things to the North, emerge into the onen Atlan-lie. New York lies in the most direct route from Aspinwall to Europe, just as San Francisco is in the nearest track a ship can follow between the nearest track a ship can follow between

Will continue quarterly royages, again bearing the incorrectness in such declaration.

San Francisco, July Lat.; Hongkong, middle terms and condition of the Company's of August; San Francisco, October 1st; Hong-kong, middle of November, and will be joined by "GREAT REPUBLIO," OF 1,000 Toxa REGISTER. and others of like capacity constructing for the service, as soon as they can be completed (during 1837) and placed on the line between Ohina and

through tickets to European Parts by the various Toutes and lines across the Affinite. RATES OF PASSAGE FROM RONGKONG. To San Francisco \$300 \$200 \$100 Yokobama, 1150 Between San Brancisco and New York there the day of departure, from 7 to 9 A.M. are certain choice, outside, upper deck rooms, for which \$23.50, additional to above let cabin rate, will please send along with their Trongues, Shipis charged to each occupant.

To the above charges for 1st cabin, must be Marks, Description, and Destination, and if the added \$60 to \$130, in United States Gold Coin, Bills of Lading are delivered at the same time the for passengers to England. France, or Germany, work will be greatly facilitated.

The Company of course except the "risk of York across the Atlantic; and for other classes | basts," &o., as covered by ordinary Marine Inof passengers less in proportion.

The above charges include the transit of the

Isthmes (where no expenses of any kind need by control by passengers,) and table, wines except. hereby intimated that the Company's Godowns Wines of all kinds can be obtained on board; For further information respecting Passage or Steamers, under the same conditions as stated Freight, apply at the Office of the Agency, No. 15, shows. Proya, or to MESSES, A. HEARD & Co.

Messes. RUSSELL & Co., Shanghai. N.B .- Owing to an accident to the steamer designed to run between Shanghai and Yokohama, the connection with the Colorado in her first voyage only will not be made on that route. Should arrangements be made to take passengers from Shanghai, due notice will be given.
